

A COOPERATIVE PRESCHOOL WITH ROOTS IN THE EAST BAY SINCE 1927.

Dear Friend of CCC,

As we warm up to 2008, we look forward to celebrating our 81st year with the annual CCC silent auction on **Saturday May 17 at Northbrae Community Church**. **You are getting this letter because you have donated to the school in the past and we appreciate your generosity. Thank you!**

This year's theme is *The Good Life*, a celebration of the many delights we enjoy in the Bay Area, including your business. In fact, local businesses like yours have helped us to raise tens of thousands of dollars annually through donations to our annual auction. This event is the primary fundraiser for CCC's Scholarship Fund, which offers aid to low-income families to attend our school.

We are reaching out to alumni and businesses in our community to help make this year's auction our most successful fundraising event ever. We are asking for the following types of donations:

- An item to be auctioned
- A gift certificate to be auctioned
- A cash sponsorship to help defray the costs of the event (minimum \$250)

As a donor to our event, your business and a description of your donation will be acknowledged in our Auction Catalog. Sponsors will be showcased at the event, which attracts hundreds of attendees. We encourage our families to patronize businesses that support CCC. And of course, your donation is tax-deductible. CCC's Federal Tax Identification number is 94-0382301.

CCC is a landmark institution that has been promoting local values such as cooperation, peace, and a love of the environment since 1927. Like you, we are an integral part of our community and we hope you can be part of this important event.

You can make your donation online at www.cccpreschool.org/2008_auction or by completing the enclosed **Donation Certificate**. Gift Certificates and checks can be mailed directly to the school. If needed, we can arrange the pick-up of donated items. If you have any questions, please don't hesitate to contact us.

Sincerely,

Kate Farnady
